

EACH

Exploring the lived experiences of Adults
with Cerebral palsy and use of Health services

Why?

To explore the experiences that adults with cerebral palsy have of health services in Ireland. The findings will help form recommendations on how to improve health services for adults with cerebral palsy.

Who can take part?

- Adults with cerebral palsy who are 18 and older.
- Support persons of adults with cerebral palsy (Family member, a friend or paid support worker such as personal assistant)
- Health professionals who provide services to adults with cerebral palsy.

How to take part?

The interview can take place at a time convenient to you in person, over the phone or through video conferencing (e.g. Microsoft Teams, Skype, Zoom, face time).

Further information is provided in the information sheet enclosed.
